

5th May 2017

Dear Parents/Carers,

SATS: Good luck to our Year 6 pupils who will be sitting their Statutory Attainment Tests (SATs) next week. They have all worked hard and I know that they will do well. The Year 6 children can come into school from 8.15 am to join us for croissants, milk and fruit juice to set them up for the day ahead.

CLASS 2'S ASSEMBLY: Mr Widdow's class will be putting on their class assembly next Friday. Refreshments will be served at the end. Please make every effort to attend if your child is in this class.

FSU NEWS: The FS children have been planning their visit to Stoke woods, thinking about what signs of spring we might see. In maths we have been working on doubles and in phonics securing the ear trigraph. We would like to thank Mr Cox and his team of colleagues from Elsevier (an information analytics company), who transformed our nature area. The children have thoroughly enjoyed balancing on the logs and exploring the extra space of soft bark chippings. Sarah Obinna FSU Leader

SPORTS UPDATE: Well done to the King's Meadow Girls' Football team this week. They were up against one of the strongest teams in the league, Waddesdon, and were able to match them for long periods of the game. Freya M was on the score sheet, bringing the score back to 2-1, however Waddesdon went on to win 4-1 and qualified for the semi-finals. Well done to all the football teams this year and good luck to all of those teams who have qualified for the semi-finals...we'll be back next year!

On Wednesday we took a group of Year 3/4 children to Bicester Tennis club, to take part in the Mini Red Tennis competition. It was the first time many had been on to proper courts and they really enjoyed the experience. The tournament took on a round robin format where we played against 6 other teams. Our two teams finished 3rd and 7th and were a great credit to the school. Outstanding performances from Louie W led the way and a special mention to Imogen M who won all of her games. Well done to all.

CLASS PHOTOS: Tempest Photography will be in school on the afternoon of Monday 15th May for class photographs.

WALK TO SCHOOL WEEK: We will be supporting the Bicester Healthy Town's initiative of Walk to School Week starting on May 15th. Please encourage your child to walk to school.

INFECTIOUS ILLNESSES: We have had reported cases of both slapped cheek and chickenpox across the school. If you have any concerns regarding this please contact you Doctor for advice. If you child is absent for any reason please contact the office on each day of absence.

Have a good weekend.

Mrs L Daulton

Headteacher
