

Design + Technology

This term, we will be working in groups to design shelters in Design and Technology. We will learn about how to safely use a range of tools and think carefully about what a structure needs.

Reading

A reminder that children in Year 6 are encouraged to read at home with an adult and bring their reading record in with four signatures to be signed on a Wednesday, in order to be entered into the Reading Raffle.

Homework

After we have completed our SATs week, standard homework will not be given out, although on certain occasions, children will be asked to complete different tasks over the weekend or a week at home. The expectation is still that children complete any homework given and hand it in on time.

Police Week

We will be continuing the King's Meadow tradition of Police Week this year. The Bicester Police Force are busy preparing our week and we look forward to sharing more information with you.

Uniform

Although the pupils are nearing the end of their time at primary school, we would like to thank you for your support with keeping the Year 6s looking smart and ask you to continue making every effort to ensure that they are wearing the correct uniform. We would ask that the children continue to bring a coat (not a hoody) to wear outside if it's a bit chilly. We would also like to highlight that children should not wear Hi-Top trainers during PE lessons.

End of Year

Term 5 and 6 are always busy in the life of a Year 6 child. This year, we will be performing a play, holding a Leavers' Assembly, having a celebratory BBQ and much, much more!

As these events get closer, we will be sending out a letter with all dates, times and details for you.

Please let us know if your child will be absent in the weeks leading up to the end of the year.
