

Wednesday Talk Homework in preparation for Thursday's BIG WRITE

The children will be describing their bedroom.

Please encourage your child draw a picture of their bedroom and talk about it.

You might want to encourage them to:

1. speak in full sentences
2. includes adjectives - colour, size, shape
3. name different materials found i.e. The small, brown, wooden table.

It would be useful if the children could bring their pictures in to help them on Thursday.
