

This week Flat Stanley has been visiting Wendover woods. For Big Write we would like the children to write a recount of Flat Stanley's visit.

Please discuss with your child:

- What time they arrived, how long the journey took and what time they left.
- What they might see (animals, wildlife, plants)
- Games they could play
- What they could eat for lunch
- How they might describe the day to someone else (would they go again)

OUCH!
