

Welcome

We offer a big welcome back to everyone after the Easter break. We look forward to hearing about what you have all been up to. With the Summer term starting we have got some exciting activities planned for our doors

Prime Areas

- **Personal, Social and Emotional development:** Recognising and describing our feelings and being sensitive to others.
- **Communication and Language:** Developing our questioning skills, listening and understanding instructions and responsibilities.
- **Physical development:** healthy eating making sandwiches, managing our own clothing, dance and movement.

Specific Areas

- **Literacy:** Reading different non-fiction books about mini-beasts and nature. Reading letters from our giant and our favourite poems.
Writing: developing our writing skills through using our phonic knowledge to write letters, lists, labels, write sentences which include our tricky words (I, no, go, to the, into, he, she, we, me, be, was, you, they, her, all, are, my) Remembering to use a capital letters, full stops and finger spaces.
- **Mathematics:** Recognising and writing numbers to 20 adding and subtracting 1's and 2's. Simple doubling and halving. Counting in 2's, 5's and 10's. Recognising 3D shapes. Comparing, ordering and measuring lengths. Weekly challenges, such as how many ways can we make 6p and the estimating jar.
- **Understanding the world:** life cycles of frogs and butterflies, bird watching, bean and cress planting. Cooking with seasonal produce. Exploring mini-beasts and looking at our different senses, of smell, taste, touch, see and hear.
- **Expressive arts and design:** frog and butterfly songs and actions, designing scarves for our giant, creating a role play castle area, textured pictures and observational drawings of nature.

Phonics

The Reception children are progressing well through our "Letters and Sounds" phonics programme. As a result we are now sending home **Key Word sheets** with your child's reading diary to practise **reading** and **spelling** the words. The Reception children have been practising their blending and segmenting skills in their own writing working on vowel diagraphs:

ai = wait ee = feel igh = high

oa = goat oo = look

and with consonant diagraphs:

ch = chop sh = ship th = this ng = ring

The Nursery children are working on Phase 2, where letter sounds are covered each week in the following order: **satp inmd gock ckeur hbf**

General

In preparation for Year 1 the Reception children will start joining the KS1 children on the field and playground at lunch times. They will also attend a few whole school assemblies and meet the Year 1 teachers. Your help is very much appreciated in the Foundation Stage.

Please come and see us if you can volunteer any of your time as this allows us to plan so many more exciting activities for the children. You simply need to complete a DBS form from the office.

Thank you for your weekly 50p contribution. Please come and see us if you have any concerns. Our spare socks and white polo tops are running low, please can we ask for any donations.

We make good use of many unwanted items, so if you have any corks, shiny sweet wrappers or lids we would be very grateful.

Many thanks The Foundation Stage Team

Dates

- * Stoke Lyne Woods to see blue bells TBC
- * Art Week 21st-25th May
- * Healthy schools week 9th -13th July
- * Cotswold Wildlife Park educational visit Term 6
