

## Design + Technology

This term, we will be working in groups to design shelters in Design and Technology. We will learn about how to safely use a range of tools and think carefully about what a structure needs.

## Reading

A reminder that children in Year 6 are encouraged to read at home with an adult and bring their reading record in with four signatures to be signed on a Monday, in order to be entered into the Reading Raffle.

## Homework

After we have completed our SATs week, standard homework will not be given out, although on certain occasions, children will be asked to complete different tasks over the weekend or a week at home. The expectation is still that children complete any homework given and hand it in on time.

## Police Week

Unfortunately, Police Week no longer is able to continue due to budget cuts and a re-structure of the Police force. I am still waiting to hear back in regards to whether we can have anyone from the force in to hold a mini-Police Week and will keep you informed. If you know of anyone in the Police Force that would be happy to come and speak to Year 6 please let Miss Golden know.

## Uniform

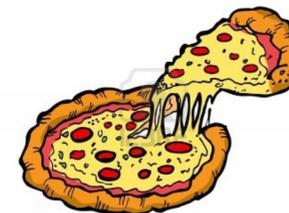

Although the pupils are nearing the end of their time at primary school, we would like to thank you for your support with keeping the Year 6s looking smart and ask you to continue making every effort to ensure that they are wearing the correct uniform. We would ask that the children continue to bring a coat (not a hoody) to wear outside if it's a bit chilly. We would also like to highlight that children should not wear Hi-Top trainers during PE lessons.

## End of Year

Term 5 and 6 are always busy in the life of a Year 6 child. This year, we will be performing a play, holding a Leavers' Assembly, having a celebratory Pizza Party, and much, much more!

As these events get closer, we will be sending details for you but most of the dates are listed on here.

Please let us know if your child will be absent in the weeks leading up to the end of the year.

Also we are in the final planning stages of our end of year visit. In previous years, we have visited Whipsnade Zoo but this year we are hoping to have a day in London. Again, we will let you know the details nearer the time.
