

# Table Top Sale For Sarah Day

24<sup>th</sup> June 2018

10.30am – 1pm

West Bicester Community Centre,  
Shakespeare Drive

We are a group of former KMS students, and our friend Charlie's Mum is battling triple-negative breast cancer and we want to do something to help. The best-proven treatment for her is in Istanbul in Turkey. Costs have been considerable and more than any family could handle. Our community can join together and help make a difference to one of our own. To contribute to Sarah, we are hoping to raise £500.

£10 to sell £2 entrance

(We have limited tables so please bring your own or rent for £2.)
