

Big Write 8/6/17

This week the children will be writing instructions for a curry.

Please can you look at and read recipes at home.

Focus on the features of instructions

- Heading
 - List of ingredients/equipment
 - Pictures/diagrams
- Bossy verbs to start each instruction
 - How the order is presented e.g. numbers/arrows

Additional features such as clocks to show the time and tips could be added.

The clarity of the instruction is important.
Make sure that they are easy to follow.
