

Year 3 Big Write – 9th November 2018

This term we are learning about plants and have been planting lots of seeds. For this week's big write we would like the children to write a set of instructions for planting a sunflower seed and how to care for the seed to make sure it grows.

Please could you talk to your child about the equipment they will need. How to plant a seed and how to look after the seed/plant to make sure it will grow. You could even watch 'How to grow and harvest sunflowers' on youtube.

It would be useful to make a list of imperative verbs e.g. take, fill and time fronted adverbials e.g. first, next, later.
