

KIND MOTIVATED SUCCESSFUL

Dear Parents and Carers,

12<sup>th</sup> June 2020

**REOPENING OF THE SCHOOL:** I am sure that you are all aware that the government has now shelved its plans to open primary schools to all pupils. This means that, at present, children in Y2,3,4 and 5 will not return to school until September. You will be notified if this situation should change. Home schooling will continue as it has since the start of the school closure. Teachers will set work and give feedback online.

**KEY WORKER BUBBLES:** The school is receiving an increasing number of requests for Key Worker places. A Key Worker is someone whose work is critical in the fight against COVID19. Unfortunately, we are nearing capacity in our Key Worker bubbles and if further places are required by frontline workers then we will have to restrict our offer to those families who have two key workers or single families with one or close the school to one of the year groups that have been granted permission to return. I hope that we are able to get to the end of term without turning eligible pupils away.

**THANK YOU:** I must thank you all again for your support at this difficult time. Your kind emails and notes mean the world to the staff and I. We were particularly touched by the positive comments on a public social media site that sang the praises of KMS – simply wonderful to read!

Have a great weekend,

Mrs L Daulton
