

KIND MOTIVATED SUCCESSFUL

26th June 2020

Dear Parents and Carers,

WIDER REOPENING OF THE SCHOOL: The school is very much looking forward to welcoming back our Y4 and Y5 children next week.

REMINDERS FOR THOSE RETURNING:

START AND END OF DAY: All children must be brought to school by an adult. Their temperatures will be taken at the gate and, should a child have a raised temperature, they will not be permitted into school. At the end of the school day, the children will leave by the same gate as they entered. No parents should enter the school and we ask that all business is conducted via email or telephone. Thank you.

The staggered start and pick up times and gates are as follows:

Y4 – Right Gate 8.45am – 2.45pm

Y5 – Right Gate 8.30am – 2.30pm

EQUIPMENT: No equipment has to travel between school and home, with the exception of a water bottle which should be thoroughly cleaned daily and a sun hat. This equipment includes lunch boxes (cold lunch provided by the school), scooters, bikes, books, pencils, toys and clothes. To remove the need for PE kits being brought into school, the children should come to school in polo shirt, school jumper, jogging bottoms and trainers. We also ask that clothes are cleaned before the children return to school.

LESSONS: The teachers will continue to deliver lessons via Tapestry and Google Classroom until the end of term. Pupils in school will be completing the same tasks as those at home. Children who are in school for two days will be expected to do the online learning on the other three days that they are at home. Thank you once again for all your support with this. As I have said before, your work with your children will reduce the impact that COVID19 has on your child's progress. Well done!

SEPTEMBER: What school will look like in September is still unclear. Last Friday, the Prime Minister stated his ambition that all pupils will return to school full time after the summer holiday. I certainly hope that this will be the case! However, the restrictions regarding class sizes, bubbles and social distancing will have to be lifted for this to happen. Further information on September is expected next week and I will keep you fully informed of any developments.

Y6 TREAT: We did not want the final days at KMS for our Y6 pupils to go unmarked, so we have planned a little treat for them. Miss Golden will send out details to the Y6 children soon.

SCHOOL ORGANISATION: The school structure for 2020-2021 will be as follows:

CLASS	STAFF
Nursery Ducklings	Mrs Spearman, Mrs Peacock, Mrs Cox and Mrs Jordan
Reception Bluebirds	Ms Rainer and Mrs Holt
Reception Red Kites	Miss Rees and Mrs Beckett
