

<b>EUROPE</b> Isolation Project Year 4	<b>If you are self-isolating and are well enough to complete some work, then have a go at some of the activities on this page and see how many points you can score!</b> Each activity has been assigned points. Your aim is to complete activities and gain as many points as possible, remembering to take pride in your work.					
	Try to do one task a day. The ones in italics can be performed so you can complete these tasks, and then put a photo or script into your folder or scrapbook.					
	<b>Knowing</b>	<b>Understanding</b>	<b>Applying</b>	<b>Analysing</b>	<b>Creating</b>	<b>Evaluating</b>
<b>Verbal</b> I enjoy reading, writing & speaking	List all the capital cities of all the countries in Europe. 4	Write a 200 word report about animals in a European country 4	Design a tourist brochure on one country in Europe, use pictures and be persuasive in your writing to encourage people to visit. 8	How does Scandinavian life differ from ours? Write a 400 word report to show the differences. 5	Create a TV advertisement for tourism in Europe, record it and show to the class. 7	Create a presentation highlighting interesting aspects of a country in Europe. Present to the class. 6
<b>Mathematical</b> I enjoy working with numbers & science	Find the highest and lowest daily temperatures for a country in Europe on one day. 2	Convert the currency of a country in Europe into UK pounds. 3	Construct a map of Europe showing major places of industry and/or major landmarks. 4	Write a report on famous European inventors or inventions. 4	Create a 24 hour timeline for a person living in a European country. How is it the same or different to a UK person? 4	Use a Venn Diagram to compare a Mediterranean and UK cultures. 5
<b>Visual</b> I enjoy painting, drawing & visualizing	Make a time line of important events that have happened in a European country over 2000 years. 3	Make a model of a famous European landmark. 4	Draw/ make a traditional costume from a country in Europe. 5	Collect photos of beaches in Europe. Show on a map of Europe where these beaches are. 5	Create a model of a soccer game between two European countries at a famous European sporting arena. 6	Imagine you will be visiting a country in Europe in 2050. Draw/write what you would expect to find 3
<b>Kinaesthetic</b> I enjoy doing hands-on activities	<i>Mime some European traditions to the class.</i> 3	<i>Teach the class a game they play in Europe.</i> 4	Research, and then make a model of a castle from a European country. 8	Analyse a battle that took place in Europe. Should it have happened like it did? Include diagrams, photos and your opinions. 8	Create your European family history. You could set it out as a family tree. 6	Interview someone who has been to a different European country. Ask at least 8 questions. 4
<b>Musical</b> I enjoy making & listening to music	Write down some famous winners of the Eurovision song contest. 3	Write a 300 word report on a European songwriter. 5	Describe and draw the instruments used in a European orchestra. 4	Play some European music to the class describing the cultural background of the music. 4	<i>Compose your own song to do with Europe. Play/sing it to the class.</i> 6	Create and perform a European song to the class. Evaluate how the performance went afterwards in 200 words. 10
<b>Interpersonal</b> I enjoy working with others	In a group of no more than three create a poster on a country in Europe. 3	<i>In a pair teach the class some words from a European language.</i> 6	<i>Produce a playscript and act out a traditional story from a European country.</i> 6	Conduct a mock interview with a queen or king from a European country. 5	Make a triarama of a famous European scene with a partner. 5	With a partner write about the life of a child in an Eastern European country. How is it different to yours? 7
<b>Intrapersonal</b> I enjoy working by myself	Create a poster on your own about a country in Europe. 4	Write about some famous places in Europe. Use pictures and photos to help. 3	Write a 300 word report on the history of religion in Europe. 8	Brainstorm all the things you have learnt about Europe. 2	Taste different food and drink from around Europe and review it for sharing with the class. 5	Write a biography of the person you admire from Europe. 8

**Good luck!!!**
