

Holiday homework for Ducklings Half Term.

*Please post on Tapestry or return to school after the holiday. Have a lovely break!*

Describe what you can see in the picture.

Are the characters inside or outside or both?                      What makes you think that?

Can you see any clues to tell us what time of day it might be?

Now look outside of their shelter. What kind of place is this?

Do you think this place could be Bicester?                      Why do you think that?

If you were camping here, what activities could you do?

Do the pets like the lady?

How can you tell?

What do you think is going to happen next?

Do you think the dog and cat are happy in this place?

Why do you think that?
